Domestic Violence Victim Support Groups

Free, confidential Support Groups for all individuals who are currently or have previously experienced domestic violence.

Offered in English and Spanish via Zoom every Wednesday.

English Support Group: 6-7 p.m.

Spanish Support Group: 7-8 p.m.

Victim Support Groups offer domestic violence victims the opportunity to share and process their trauma in a group setting, increase their understanding of domestic violence issues and healthy relationships, as well as access referrals to life-saving resources.

The Domestic Violence Resource Center also offers the following services:

- 24-hour crisis hotline (775.329.4150)
- Basic necessities (toiletries, food, etc., for victims of domestic violence)
- Assistance applying for victims' compensation and public assistance benefits enrollment
- Safety planning, crisis intervention, case management and goal planning
- Short and longer term emergency shelter and transitional housing with supportive services
- Support with the Temporary Protection Order (TPO) process
- Access to a pet boarding facility for residential clients
- Referrals to other community resources
